Examiner Mr. Jason M. Sims

Art Unit: 1631, Technical Center 1600,

Commissioner for Patents, USPTO,

P.O. Box 1450, Alexandria VA 22313-1450.

Dear Examiner Mr. Jason,

Please find the enclosed Facsimile Transmission Cover Sheet of March 31, 2008. I have not received the fax as indicated in the Cover Sheet, resulting in the claim of the US application (Appl. No.: 10/810,296) not being changed or amended according to the fax.

Based on the enclosed *Office Action Summary* issued by Primary Examiner Dr. John S. Brusca on February 20, 2007, the examiner has acknowledged that the claims 1-10 are allowed; this application is in condition for allowance except for the following formal matters: Each of claims 11-18 is in improper multiple dependent form; the rejection of claims 1-18 under 35 U.S.C 101 has been withdrawn; and prosecution on the merits is closed in accordance with the practice under *Ex part Quayle*, 1935 C.D. 11, 453 O.G. 213. The improper multiple dependent form of claims 11-18 has been amended according to the enclosed *Interview Summary* issued by Primary Examiner Dr. Lori A. Clow on

Appl. No. 10/810,296

Art Unit: 1631

August 20, 2007, wherein all dependent claims only reference or depend from one claim and the text of claim of the application is unchanged. The claim of the application is allowed after several words in claim 1 have been changed according to the Fax issued by Primary Examiner Dr. Lori A. Clow on December 5, 2007. Some words have been added into claim 2 according to the enclosed *Interview Summary* issued by Examiner Mr. Jason M. Sims on December 27, 2007, leading to the application in better condition for allowance. Based above several office actions, it is unnecessary to amend further the claim of the application after the text and form of the claim have been allowed by the two primary examiners of USPTO. Most nation patent offices including the International Bureau of international application do not allow further amendment to the claim once it is accepted by the examiner.

The US application has been over 4 years since filed March 27, 2004. The application as an international application has entered the examining stage in PCT national phases including EP, AU, CA, CN, JP, RU, IN, etc. I sincerely appreciate it if the notice of allowance is issued in this case soon.

Thank you for your consideration.

Sincerely,

Xing F. Wang, Ph.D.
Applicant

DETAILED ACTION

Applicant's After Final Amendment filed 11/27/2006 is acknowledged and has been entered.

Claims 1-18 are the current claims hereby under examination.

This application is in condition for allowance except for the following formal matters:

Claim Objections

Claims 11-18 are objected to under 37 CFR 1.75(c) as being in improper form because of improper multiple dependent claims. Each of claims 11-18 are in improper multiple dependent form. A claim can only reference one other claim or depend only from one other claim and claims referencing more than one claim or depending from more than claim are considered to be in improper multiple dependent form. For example, claim 11 references or depends from claim 1 and claims 2-10, which makes claim 11 an improper multiple dependent claim. See MPEP § 608.01(n). Accordingly, the claims have not been further treated on the merits.

Allowable Subject Matter

Claims 1-10 are allowed.

Response to Arguments

Applicant's arguments and amendment, filed 11/27/2006, with respect to the rejection under 35 U.S.C. 101 have been fully considered and are persuasive. The rejection of claims 1-18 under 35 U.S.C 101 has been withdrawn.
